PERMISSION FOR EMERGENCY TREATMENT

On rare occasions a student participating in an overseas study program faces a health emergency requiring hospitalization and emergency treatment. To prevent dangerous delay in such an emergency, AIAE of New York strongly recommends that the student and his/her parent or guardian sign the following statement and that the student carry it on his/her person at all times while he/she is abroad:

In the event of an emergency, illness or injury affecting (my son, daughter, ward, or myself), _____ (student's name), born _____ (date), the undersigned hereby authorizes immediate hospitalization and treatment recommended by and carried out under the supervision of a qualified physician, including administering an anesthetic and performing necessary surgery. Student's blood type _____ (if known), Known allergies to medication: _____

Student's Signature

Date

Parent/Guardian's (if student is under 21)

Date

Persons to notify in case of emergency, illness or accident:

Parent/Guardian's

Name and Address: _____

The entire form should be returned to the Director _____ administering the program for which the student is applying. The student's copy of the permission form will be returned to him/her at the beginning of the program, and should be carried on his/her person at all times while abroad as a program participant. If on religious or other grounds the student or his/her parent or guardian is unwilling to sign the Permission for Emergency Treatment, a written explanation signed by both the student and his/her parent or guardian must be attached and returned to the Director of International Education.
